

INSPIRING PEOPLE WITH DISABILITIES THROUGH
AWARENESS, RESOURCES, EMPOWERMENT AND UNITY.

COVID-19 (CORONAVIRUS) UPDATE 26/03/2020

NDIS Customised Support Sessions:

Due to the escalation of isolation enforced by the Government, we can no longer do face-to-face meetings.

We are doing zoom (video meetings) or phone meeting.

At iDareU, we are concerned about your health, but we are also aware many people need help and advocacy more than ever at this time.

Our NDIS Practical Service and Support is now more important than ever, with the NDIS insisting on doing phone or email interviews rather than face-to-face appointments. This is a huge disadvantage to people with a disability and their families, and we strongly advise against completing a phone interview with the NDIS without any **assistance or advocacy.**

Roll over your plan if you are not comfortable with a phone or email planning meeting

PLEASE DO NOT TRY TO DO YOUR NDIS PLANNING MEETINGS ON YOUR OWN AT THIS TIME, IF YOU ARE NOT CONFIDENT.

Carers Hubs

With the enforced closure of our Hub venues, we regret we have had to put our Carer Hubs on hold indefinitely

We will advise you immediately if any changes are to be made.

Please look out for each other and reach out if things get too hard!

STAY SAFE AND SANE OUT THERE!!!
